Rubber Hall - A Hub for Creative Reuse of Worn-Out Tires

Rubber Hall, www.rubberhall.com (website), is an innovative communication project developed and administrated by Svensk Däckåtervinning AB, org.nr: 556484-9585, (Swedish Tyre Recycling (SDAB). The project aims to inform and inspire web users by showcasing how worn-out tires can be given new life in various creative projects. Rubber Hall promotes designers and artists who incorporate materials from old tires into their works or projects.
